

## Spring Clean 2011

On Tuesday 29<sup>th</sup> March 2011, we did our annual National Spring Clean. The weather was a little drizzly but not too bad.

We cleaned up the Renmore pitches, Renmore Avenue and the school grounds. We all did our part and had a lot of fun!

We filled 12 bags this year, an increase on last year.

**The most unusual item found were a Hoover and a horse's skull!**

We found many other unusual items and here are some: a builder's sack, lipstick, a bouncy castle cover, a lock, football boots, a fuse box, a car battery, a phone, a €5 note, a football, a school tracksuit top, a fleece, gloves, the top of a baby's bottle, a screwdriver, a golf ball and a plunger!

Some very strange items **THIS YEAR!!!!!!!!!!**

On the intercom we thanked everyone for helping us clean up Renmore and we **HOPE** they had a **GREAT** day and didn't get too wet!
