

Spring Clean 2012
(Wednesday 2nd May)

This year's National Spring Clean was another great success and we'd like to say a HUGE thank you to all who got involved!

We cleaned up the Renmore pitches, Renmore Avenue and the school grounds. We filled 7 bags this year which is a decrease of 5 bags on last year's total of 12 bags! Maybe people are getting the message and dropping less litter! Yipee!

The most unusual items found this year were a toilet seat and an animal bone!

We found many other unusual items and here are some: a toilet seat, a plastic flower holder, a fire grate, a high heeled shoe, a baby's dodo, an animal bone (we think!!), a packet of crabmeat, shopping lists, flower pots, onions, and a teapot! Some very *strange* items this year!!

We would like to thank everyone for helping us clean up Renmore.

Mobolaji and Afis, 6th class, room 9.
