

Spring Clean 2007

Today, Wednesday the 9th May 2007, we did our annual National Spring Clean. We picked up litter around the Renmore pitches and Renmore Avenue.

The more unusual things we found this year include a ripped pair of tights, bits of a t-shirt, tiles and a hubcap from a car!

This year we filled 6 bags!

In recent years we've noticed that there isn't as much litter lying around the Renmore area. We hope we've had something to do with this!

Thanks to everyone who took part in our annual National Spring Clean this year and it could be *YOU* that made that difference!
