

## Spring Clean 2009

Yesterday, Thursday 2<sup>nd</sup> April 2009, we did our annual National Spring Clean, and what a beautiful sunny day it was!

We picked up litter around the school grounds, the hospice grounds, the Renmore pitches and Renmore Avenue.

The more unusual things we found this year included a three-legged chair, two TVs, a bucket, a can of beer, tights, football shorts, a gum shield, face cream, a garden sprayer and an old helmet!

**This year, AMAZINGLY, we filled 13 bags!**

In recent years we've noticed that there isn't as much litter lying around the Renmore area. We hope we've had something to do with this! (You can see a graph of the number of bags we filled

each year since 1998 on the Green School's noticeboard.)

There was stiff competition for the prizes and well done to all the classes who entered. The prizes go to Room 5 for the best photos, Room 8 for the most unusual items found and Room 7 for the most bags filled.

So a HUGE thanks again to everyone who took part in our annual National Spring Clean this year. You're FANTASTIC!
