

### III CLASS

#### The Shadow person.

Last night I opened the bedroom door.  
I saw a shadow person lying on the floor.  
I walked until the shadow was quite near,  
And I said to the shadow,  
"Why are you here?"  
I waited for ages for a reply.  
But the shadow did not even blink an eye.  
So I hopped into my bed.  
The shadow followed me and I said.  
"Go away let me sleep, I'll be watching you if you peep".  
And as I woke up after dawn.  
The shadowperson that was here was gone.

#### Party time.

It's party time at home this year.  
And it never works out quite as dear.  
As going into town to eat.  
We children meet so we can eat.  
The gooey things that are a treat.  
At last goodbye for another year.  
Until we meet in fine good cheer!

#### I Love Waves.

I love the blue sea.  
With it's pretty blue waves.  
Sometimes they rise up  
And form into trays.  
If there was a bad storm.  
They would go very wild.  
And until the morning light.  
They would become soft and mild.

The big massive fat waves.  
Always roar aloud.  
Once I even stopped.  
Knelt down and bowed.

I don't know why I bothered.  
To kneel down.  
Because I really must have.  
Looked like a clown.

Oh I hear someone calling me.  
Who could it be.  
It's my mummy calling me.  
For my cakes and my tea.

I might see you tomorrow.  
I will be out in a trike.  
Then we can watch the waves.  
If the weather is nice.

By: Claire Sheriden.

#### Witches.

Witches are very special people.  
With a wave of their arms.  
They can fly around the church steeple.  
They can whizz round the moon.  
While humming a tune.  
With a cat on their broom.  
Witches are very special.

By: Ronan Kennedy.

#### The two friends.

There was an old cat.  
A very old cat.  
And he has a friend.  
That was a rat.  
The rat was fat.  
The cat was thin.  
And they like to sleep.  
Inside a bin.
